

MCN INDEX

Index to Volume 20
January to December 1995

Yelena Vasilyeva
MLS Indexer

BY SUBJECT

Abstracts

- Deaf and hearing parents' perceptions of family functioning (Jones) 280
The effects of postpartum depression on maternal-infant interaction: a meta-analysis (Beck) 296
Job satisfaction and turnover among nurses: integrating research findings across studies (Irvine, Evans) 342
A longitudinal study of maternal depression and preschool children's mental health (Gross, Conrad, Fogg, Willis, Garvey) 280
Nursing intensity as a predictor of resource consumption in public health nursing (Hays) 240
Salvaging self: a grounded theory of pregnancy on crack cocaine (Kearney, Murphy, Irwin, Rosenbaum) 296
Validity of the Creasy risk appraisal instrument for prediction of preterm labor (Edenfield, Thomas, Thompson, Marcotte) 240

Accountability

- It's a new world (editorial) (Bishop) 5

Adolescence

- Helping postpartum rural adolescents visualize future goals (Walsh, Corbett) 276
HIV in adolescents (Nelson) 34
Teaching pregnant adolescents to cope with environmental smoke (Winkelstein) 38
Therapeutic implications of recent advances in cystic fibrosis (White, Munro, Pickler) 304

Adoption

- Adoption: an overview (Rhodes) 7
The ideal nurse for the relinquishing mother: lessons from the labor room (Bond, Keen-Payne, Lucy) 156
The role of the perinatal nurse in open adoption (Fister, Schumann) 9

AIDS (see also HIV)

- AIDS among migrant farmers (network) 118
Forgotten children of the AIDS epidemic (network) 289

Anesthetics

- Guide for home and car safety (pediatrics) (network) 50
What happens to the offspring of diabetic pregnancies? (Doshier) 25

Anesthesia, Local

- EMLA cream for local anesthesia (Corbett) 178

Anger

- Anger in women as an emerging issue in MCH (Dropleman, Thomas, Wilt) 85
A great find at the bookstore (editorial) (Bishop) 63

Anticoagulants

- Anticoagulants during pregnancy (Corbett, Kenney) 56

Bibliography

- A complete bibliography management system (network) 52

Body Temperature

- Does tympanic temperature measure up? (Wells, King, Hedstrom, Youngkins) 95

Breastfeeding

- A developmental approach to weaning (special section) (Furman) 322

- Infant feeding among Cambodian refugees (Rasbridge, Kulig) 213; letter 250
A structured intervention improves breastfeeding success for ill or preterm infants (special section) (Bell, Geyer, Jones) 309
When women decide not to breastfeed (special section) (Gigliotti) 315

Cambodians (Khmer)

- Infant feeding among Cambodian refugees (Rasbridge, Kulig) 213; letter 250

Cardiovascular System

- No correction needed (letter) (Murray, Jones) 191
Solve the puzzle of pediatric cardiopulmonary failure (Galuska) 334

Career Choice

- All change is personal (editorial) (Walker) 183
Managing a nursing career in the new millennium (special section) (Ganser, Burke) 198

Childbirth

- Gentle reminder (Spooner) 166
The ideal nurse for the relinquishing mother: lessons from the labor room (Bond, Keen-Payne, Lucy) 156

Community Health Nursing

- Cross training to home care (Zanewicz) 174; letter 191
Practice-generated research in a rural setting (Lieber) 187

Computers

- The need for security with computerized records (Rhodes) 290
Nursing info on the Internet (network) 340

Conscious Sedation

- Developing hospital-wide standards for IV conscious sedation (Barnes) 283

Consumer Product Safety

- Safe & sound for baby brochure (network) 286

Critical Illness

- Pediatric/neonatal critical care respiratory crossword puzzle (Talavina-Pasek) 46

Crossword Puzzle

- Pediatric/neonatal critical care respiratory crossword puzzle (Talavina-Pasek) 46
Solve the puzzle of pediatric cardiopulmonary failure (Galuska) 334

Cystic Fibrosis

- Therapeutic implications of recent advances in cystic fibrosis (White, Munro, Pickler) 304

Deafness

- Deaf and hearing parents' perceptions of family functioning (abstract) (Jones) 280

Death and Bereavement

- A blanket that eases the pain of loss (practical hints) (Cooney) 57

Diabetes, Gestational

- Effects of gestational diabetes on perinatal morbidity reassessed (network) 233

Diabetes Mellitus

- Free nutritional information for people with diabetes (network) 232
What happens to the offspring of diabetic pregnancies? (Doshier) 25

Disseminated Intravascular Coagulation

- Treating disseminated intravascular coagulation (Corbett, Fonteyn) 290

Domestic Violence

- A great find at the bookstore (editorial) (Bishop) 63
Anger in women as an emerging issue in MCH (Dropleman, Thomas, Wilt) 85
Nurse-midwives receive domestic violence education grant (network) 232

Drug Therapy

- Anticoagulants during pregnancy (Corbett, Kenney) 56
FDA advisory committees deliberate on Zidovudine (letter) (Sharts-Hopko) 136
No correction needed (letter) (Murray, Jones) 191
Prenatal and postnatal use of corticosteroids (Corbett, Omlin) 346
Treating disseminated intravascular coagulation (Corbett, Fonteyn) 290
Zidovudine in pregnancy (Corbett, Kenney) 122

Education, Nursing

- All change is personal (editorial) (Walker) 183
Education during pediatric pain awareness week (special section) (Talavina-Pasek) 153
Finding a philosophy of nursing (special section) (Bruno) 205
The highway to higher education (special section) 200
Managing a nursing career in the new millennium (special section) (Ganser, Burke) 198
Perinatal skills aboard the snuggly express (practical hints) (Sisti) 224

Ethics

- Ethical perspectives on research involving healthy children (Kachoyanos) 285
Ethics in pain management of infants and children (special section) (Kachoyanos, Zol-10) 142
Maintaining an ethical stand without jeopardizing your job (Kachoyanos) 339

Facial Paralysis

- Booklet on facial paralysis in children (network) 233

Family Planning

- Multimedia (network) 289

Feeding Methods

- A developmental approach to weaning (special section) (Furman) 322
Infant feeding among Cambodian refugees (Rasbridge, Kulig) 213; letter 250
Infant feeding: preventing the pitfalls (editorial) (Bishop) 295
When women decide not to breastfeed (special section) (Gigliotti) 315

Guardians

- Grandparents as primary caregivers (Kelley, Damato) 326
Guardianship and the refusal of treatment (Rhodes) 169
How can a nurse care for me? (Anonymous) 333

History of Nursing

- Remembering our heroines (editorial) (Dodd,

Chow) 127

- Response to change: maternity nursing after World War II (Martelli) 131

HIV (see also AIDS)

- Expanding on HIV infection in women and children (letters) (O'Hara, Lott, Kenner, Laisure) 13, 43
FDA advisory committees deliberate on Zidovudine (letter) (Sharts-Hopko) 136
Guidelines for assessing HIV in women (Sipes) 29
HIV in adolescents (Nelson) 34
Is mandatory HIV screening for newborns justifiable? (Rhodes) 231
Perinatal transmission of HIV: how to counsel women (Lindberg) 207
Using case management to improve care delivery in the NICU (Thompson, Maringer) 257
Zidovudine in pregnancy (Corbett, Kenney) 122

Infant, Newborn

- Ethics in pain management of infants and children (special section) (Kachoyanos, Zol-10) 142
In re Baby K (Rhodes) 251
Infant feeding among Cambodian refugees (Rasbridge, Kulig) 213; letter 250
Managing pain in infants and children: meeting the mandate (special section) 141
Pain responses of hospitalized neonates to venipuncture activities (special section) (Van Cleve, Andrews) 148
Pain for nurse-developed pacifier (letter) (Engelbreton, Wardell) 13
Prenatal and postnatal use of corticosteroids (Corbett, Omlin) 346
A structured intervention improves breastfeeding success for ill or preterm infants (special section) (Bell, Geyer, Jones) 309
Tender beginnings: good idea (letters) (Crimarco, Weinberg, Nastasi) 76, 110
When women decide not to breastfeed (special section) (Gigliotti) 315
Where are the parents? (letter) (Armstrong, Gardner) 44

Infertility

- A male perspective on infertility (Sherrard) 269

Iron

- Accidental poisoning with iron supplements (Corbett) 234

Joint Commission on Accreditation of Healthcare Organizations

- JCAHO: surveying patient/family education standards (Barnes) 113

Jurisprudence

- Guardianship and the refusal of treatment (Rhodes) 169
In re Baby K (Rhodes) 251
Is mandatory HIV screening for newborns justifiable? (Rhodes) 231
Liability for failure to offer prenatal AFP testing (Rhodes) 169
Limiting liability to avoid malpractice litigation (Lachetawche) 243
The need for security with computerized records (Rhodes) 299

L
Leadership
 It's a new world (editorial) (Bishop) 5

M
Malpractice
 Liability for failure to offer prenatal AFP testing (Rhodes) 169
 Limiting liability to avoid malpractice litigation (Ladebauche) 243

Managed Care Programs
 Evaluating case management programs (Issel) 67
 Using case management to improve care delivery in the NICU (Thompson, Maringer) 257

Management Information Systems
 A complete bibliography management system (network) 52

Medical Records
 The need for security with computerized records (Rhodes) 299

Mental Health
 Anger in women as an emerging issue in MCH (Dropleman, Thomas, Wilt) 85
 A great find at the bookstore (editorial) (Bishop) 63
 A longitudinal study of maternal depression and preschool children's mental health (abstract) (Gross, Conrad, Fogg, Willis, Garvey) 280

N
Neonatal Intensive Care Units
 A blanket that eases the pain of loss (Cooney) 57
 EMLA cream for local anesthesia (Corbett) 178
 Ethics in pain management of infants and children (special section) (Kachoyanos, Zol- lo) 142
 Lifesaving tubes, lifetime scars? (Giganti) 192
 Pain responses of hospitalized neonates to venipuncture activities (special section) (Van Cleve, Andrews) 148
 Pediatric/neonatal critical care respiratory crossword puzzle (Talavina-Pasek) 46
 A structured intervention improves breastfeeding success for ill or preterm infants (special section) (Bell, Geyer, Jones) 309
 Systematic neonatal assessment and intervention (Bruno) 21
 Using case management to improve care delivery in the NICU (Thompson, Maringer) 257

Neonatal Nursing
 Managing pain in children: seek first to understand (Barnes) 163
 Pain responses of hospitalized neonates to venipuncture activities (special section) (Van Cleve, Andrews) 148
 A structured intervention improves breastfeeding success for ill or preterm infants (special section) (Bell, Geyer, Jones) 309

Neonatal Screening
 Is mandatory HIV screening for newborns justifiable? (Rhodes) 231
 Tender beginnings: good idea (letters) (Crimarco, Weinberg, Nastasi) 76, 110

NICU (see Neonatal Intensive Care Units)
Nurse-Midwives
 Nurse-midwives receive domestic violence education grant (network) 232

Nursing Evaluation Research
 Evaluating case management programs (Issel) 67
 Opportunities in outcome evaluation research (Kachoyanos) 223
 Using case management to improve care delivery in the NICU (Thompson, Maringer) 257

O
Obesity, Morbid
 Caring for the morbidly obese pregnant woman (Lachat, Owen, Ebel) 101

Obstetrical Nursing

Accidental poisoning with iron supplements (Corbett) 234
 Anger in women as an emerging issue in MCH (Dropleman, Thomas, Wilt) 85
 Caring for the morbidly obese pregnant woman (Lachat, Owen, Ebel) 101
 Cross training to home care (Zenewicz) 174
 Expanding on HIV infection in women and children (letters) (O'Hara, Lott, Kenner, Laisure) 13, 43
 Gentle reminder (Spooner) 166
 Guidelines for assessing HIV in women (Sipes) 29
 Helping survivors of sexual abuse through labor (Burian) 252
 The ideal nurse for the relinquishing mother: lessons from the labor room (Bond, Keen-Payne, Lucy) 156
 Liability for failure to offer prenatal AFP testing (Rhodes) 169
 A new family centered maternity care booklet (network) 232
 Response to change: maternity nursing after World War II (Martell) 131
 The role of the perinatal nurse in open adoption (Fister, Schlomann) 9
 Validity of the Creasy risk appraisal instrument for prediction of preterm labor (abstract) (Edenfield, Thomas, Thompson, Marcotte) 240

Outcome Assessment
 Evaluating case management programs (Issel) 67
 Opportunities in outcome evaluation research (Kachoyanos) 223

P
Pain
 Education during pediatric pain awareness week (special section) (Talavina-Pasek) 153
 Ethics in pain management of infants and children (special section) (Kachoyanos, Zol- lo) 142
 Managing pain in children: seek first to understand (Barnes) 163
 Managing pain in infants and children: meeting the mandate (special section) 141
 Pain responses of hospitalized neonates to venipuncture activities (special section) (Van Cleve, Andrews) 148
 Where are the parents? (letter) (Armstrong, Gardner) 44

Parenting
 Grandparents as primary caregivers (Kelley, Damato) 326
 How can a nurse care for me? (Anonymous) 333

Patents
 Patent for nurse-developed pacifier (letter) (Engelbreton, Wardell) 13

Patient Discharge
 Creating a discharge teaching video (practical hints) (Bowman) 220
 Cross training to home care (Zenewicz) 174; letter 191
 Tender beginnings: good idea (letters) (Crimarco, Weinberg, Nastasi) 76, 110

Patient Education
 Booklet on facial paralysis in children (network) 233
 Children's shoes brochure (network) 52
 Creating a discharge teaching video (practical hints) (Bowman) 220
 Developing hospital-wide standards for IV conscious sedation (Barnes) 283
 Finding the 'win/win' in patient/family teaching (Barnes) 229
 Free nutritional information for people with diabetes (network) 232
 Guide for home and car safety (network) 50
 How risky are hot tubs and saunas for pregnant women? (Rogers, Davis) 137
 JCAHO: surveying patient/family education standards (Barnes) 113
 Managing pain in children: seek first to understand (Barnes) 163
 Multimedia (network) 289
 A new family-centered maternity care booklet

(network) 232
 New pamphlets to promote abstinence (network) 286
 Prenatal care on a shoestring and embroidery floss (practical hints) (Roux, Brandon) 176
 Survey on patient teaching (Barnes) 15
 Teaching pregnant adolescents to cope with environmental smoke (Winkelstein) 38
 Using the telephone in patient and family teaching (Barnes) 341
 Where are the parents? (letter) (Armstrong, Gardner) 44

Pediatric Intensive Care
 Acute organophosphate pesticide poisoning in children (Mitchell, Steffenson, Hogan, Coleman) 261
 Lifesaving tubes, lifetime scars? (Giganti) 192
 Pediatric/neonatal critical care respiratory crossword puzzle (Talavina-Pasek) 46

Pediatric Nursing
 Acute organophosphate pesticide poisoning in children (Mitchell, Steffenson, Hogan, Coleman) 261
 A blanket that eases the pain of loss (practical hints) (Cooney) 57
 Booklet on facial paralysis in children (network) 233
 A developmental approach to weaning (special section) (Furman) 322
 Diagnosis and management of pyelonephritis in infants (Reynolds, Hoberman) 78
 Does tympanic temperature measure up? (Weiss, King, Hedstrom, Youngkins) 95
 Education during pediatric pain awareness week (special section) (Talavina-Pasek) 153
 EMLA cream for local anesthesia (Corbett) 178
 Ethics in pain management of infants and children (special section) (Kachoyanos, Zol- lo) 142
 Expanding on HIV infection in women and children (letters) (O'Hara, Lott, Kenner, Laisure) 13, 43
 Grandparents as primary caregivers (Kelley, Damato) 326
 How can a nurse care for me? (Anonymous) 333
 Lifesaving tubes, lifetime scars? (Giganti) 192
 Managing pain in children: seek first to understand (Barnes) 163
 Managing pain in infants and children: meeting the mandate (special section) 141
 Pain responses of hospitalized neonates to venipuncture activities (special section) (Van Cleve, Andrews) 148
 Pediatric TB in the 1990s (Oll, Horn, McLaughlin) 16
 Solve the puzzle of pediatric cardiopulmonary failure (Galuska) 334
 A structured intervention improves breastfeeding success for ill or preterm infants (special section) (Bell, Geyer, Jones) 309
 Therapeutic implications of recent advances in cystic fibrosis (White, Munro, Pickler) 364
 What happens to the offspring of diabetic pregnancies? (pediatrics) (Doshier) 25

Perinatal Nursing (see also Obstetrical Nursing and Pregnancy, High-Risk)
 Anger makes a difference (editorial) (Bishop) 239
 Helping survivors of sexual abuse through labor (Burian) 252
 Prenatal care on a shoestring and embroidery floss (practical hints) (Roux, Brandon) 176
 The role of the perinatal nurse in open adoption (Fister, Schlomann) 9

Pesticides
 Acute organophosphate pesticide poisoning in children (Mitchell, Steffenson, Hogan, Coleman) 261

Philosophy, Nursing
 Finding a philosophy of nursing (Bruno) 205

Photography
 1995 photo contest winners 164

Physical Examination
 Guidelines for assessing HIV in women (Sipes) 29

Systematic neonatal assessment and intervention (Bruno) 21

Poisoning
 Acute organophosphate pesticide poisoning in children (Mitchell, Steffenson, Hogan, Coleman) 261

Policy Making
 Research or else (Kachoyanos) 111

Postpartum Nursing
 Cross training to home care (Zenewicz) 174; letter 191
 The effects of postpartum depression on maternal-infant interaction: a meta-analysis (abstract) (Beck) 296
 Helping postpartum rural adolescents visualize future goals (Walsh, Corbett) 276
 Tender beginnings: good idea (letters) (Crimarco, Weinberg, Nastasi) 76, 110

Pre-Eclampsia
 No correction needed (letter) (Murray, Jones) 191

Pregnancy
 Anticoagulants during pregnancy (Corbett, Kenney) 56
 FDA advisory committees deliberate on Zidovudine (letter) (Sharts-Hopko) 136
 How risky are hot tubs and saunas for pregnant women? (Rogers, Davis) 137
 No correction needed (letter) (Murray, Jones) 191
 Salvaging self: a grounded theory of pregnancy on crack cocaine (abstract) (Kearney, Murphy, Irwin, Rosenbaum) 296
 Zidovudine in pregnancy (Corbett, Kenney) 122

Pregnancy, High-Risk
 Caring for the morbidly obese pregnant woman (Lachat, Owen, Ebel) 101
 Effects of gestational diabetes on perinatal morbidity reassessed (network) 233
 Perinatal transmission of HIV: how to counsel women (Lindberg) 207
 Prenatal and postnatal use of corticosteroids (Corbett, Omlin) 346
 Prenatal care on a shoestring and embroidery floss (practical hints) (Roux, Brandon) 176
 What happens to the offspring of diabetic pregnancies? (Doshier) 25

Prenatal Care
 Guidelines for assessing HIV in women (Sipes) 29
 Guide for home and car safety (network) 50
 Prenatal care on a shoestring and embroidery floss (practical hints) (Roux, Brandon) 176
 Validity of the Creasy risk appraisal instrument for prediction of preterm labor (abstract) (Edenfield, Thomas, Thompson, Marcotte) 240

Public Health Nursing
 Nursing intensity as a predictor of resource consumption in public health nursing (abstract) (Hays) 240

Pyelonephritis
 Diagnosis and management of pyelonephritis in infants (Reynolds, Hoberman) 78

R
Research
 Deaf and hearing parents' perceptions of family functioning (abstract) (Jones) 280
 The effects of postpartum depression on maternal-infant interaction: a meta-analysis (abstract) (Beck) 296
 Ethical perspectives on research involving healthy children (Kachoyanos) 285
 Evaluating case management programs (Issel) 67
 Job satisfaction and turnover among nurses: integrating research findings across studies (abstract) (Irvine, Evans) 342
 A longitudinal study of maternal depression and preschool children's mental health (abstract) (Gross, Conrad, Fogg, Willis, Garvey) 280
 Maintaining an ethical stand without jeopardizing your job (Kachoyanos) 339
 Nursing intensity as a predictor of resource

consumption in public health nursing (abstract) (Hays) 240
 Opportunities in outcome evaluation research (Kachoyanos) 223
 Practice-generated research in a rural setting (Lieber) 187
 Research or else (Kachoyanos) 111
 Salvaging self: a grounded theory of pregnancy on crack cocaine (abstract) (Kearney, Murphy, Irwin, Rosenbaum) 296
 Validity of the Creasy risk appraisal instrument for prediction of preterm labor (abstract) (Edenfield, Thomas, Thompson, Marcotte) 240
Respiration, Artificial
 In re Baby K (Rhodes) 251
Rubin, Reva
 A tribute to Reva Rubin (Mercer) 184
 Reva Rubin: remembered with appreciation (letter) (Stainton) 191
Rural Health
 Practice-generated research in a rural setting (Lieber) 187

S

Sex Education
 New pamphlets to promote abstinence (network) 296
Sexual Abuse
 Anger makes a difference (editorial) (Bishop) 239
 Helping survivors of sexual abuse through labor (Burian) 252
Smoking
 Secondhand smoke and children (network) 232
 Teaching pregnant adolescents to cope with environmental smoke (Winkelshtein) 38
Standards
 Developing hospital-wide standards for IV conscious sedation (Barnes) 283
 JCAHO: surveying patient/family education standards (Barnes) 113

T

Thermometers
 Does tympanic temperature measure up? (Wells, King, Hedstrom, Youngkins) 95
Tracheostomy Tubes
 Lifesaving tubes, lifetime scars? (Giganti) 192
Transcultural Nursing
 Infant feeding among Cambodian refugees (Rasbridge, Kulig) 213; letter 250
Treatment Refusal
 Guardianship and the refusal of treatment (Rhodes) 109
Tuberculosis
 Pediatric TB in the 1990s (Ott, Horn, McLaughlin) 16

V

Videotapes
 Creating a discharge teaching video (practical hints) (Bowman) 220

W

Women's Health
 Anger in women as an emerging issue in MCH (Droppleman, Thomas, Will) 85
 Expanding on HIV infection in women and children (letters) (O'Hara, Lott, Kenner, Laisure) 13, 43
 A great find at the bookstore (editorial) (Bishop) 63
 Guidelines for assessing HIV in women (Sipes) 29
 Helping survivors of sexual abuse through labor (Burian) 252
 Perinatal transmission of HIV: how to counsel women (Lindberg) 207

Z

Zidovudine
 FDA advisory committees deliberate on Zidovudine (letter) (Sharts-Hopko) 136
 Perinatal transmission of HIV: how to counsel women (Lindberg) 207
 Zidovudine in pregnancy (Corbett, Kenney) 122
